Where and when will you offer Ashes to Go?

UAB Hospital, North Pavilion, 2nd Floor

All persons are welcome to receive ashes in the busiest pedestrian intersection in the largest hospital in the state of Alabama, and the third largest public hospital in the United States.

Staff Chaplains and local clergy will be present in the large hallways near the food court, Guest Services desk, and main elevators. All visitors and employees are welcome to stop, receive ashes and be on your way in less than a minute.

Cards will be shared that has an inclusive prayer and meaning of Ash Wednesday on it. UAB Hospital cares for the body, mind, and spirit of all guests and employees.

Where and when will you offer Ashes to Go?

The Gray Lady, 521 Greensboro Ave., Tuscaloosa, AL 35401

We are perhaps doing a variation on the Ashes to Go theme. We will have an Ash Wednesday Service with ashes offered following our normal meeting/discussion time.

Jesus on Tap is a group for believers, questioners, non-believers, and everyone in between. We come together to discuss issues of faith, religion, theology, and spirituality.

We are open to and welcoming of all people, beliefs, non-beliefs, and faith traditions. The service will be offered upstairs at the Gray Lady in downtown Tuscaloosa. It will begin about 8 p.m. All are welcome to join us for the discussion, and all are welcome to join us for the service following. All are just simply welcome.

(Jesus on Tap is facilitated by the Rev. Kelley Hudlow, Deacon, St. Matthias Episcopal Church, Tuscaloosa, AL)

Where and when will you offer Ashes to Go?

in the Loving Kindness Room -- 1-2pm and 9-10pm

This is a first. From the York Hospital Newsletter:

Chaplain Sudie Blanchard, who provides spiritual care at York Hospital, will be offering ashes to staff, patients and their families on Ash Wednesday, February 13. She will carry them with her as she visits patients in the morning. She will also be in the Loving Kindness Room from 1p,Äi2p and 9p,Äi10p offering ashes to all those whose schedules or family commitments make it hard to stop and pray with others in church that day.

Why ashes? Ashes have symbolized penitence from ancient times. In the Middle Ages, it became the custom for Christians to begin the season of Lent,Äthe 40 day period of reflection that comes before Easter,Äby being marked in ash with the sign of the cross. The reminder that we are mortal turns our attention to the creative power of God, and God,Äôs ability to heal the brokenness in our lives when we offer that brokenness to God. That

turning,Äand returning,Äto God is the work of Lent.

Why ashes at York Hospital? Because the reminder of our need for forgiveness and healing really shouldn,Äôt be confined to a church building. We need that reminder even more

when we are in the midst of the stress of our daily lives! The ashes remind us of our need for

God. So, next Wednesday, take a few minutes of your day and get your ashes on. The short

prayer and the sentence read when the ashes are imposed take less than a minute. It will be

a moment well spent.

Sudie is the daughter-in-law of the late Bishop Roger Blanchard of the Diocese 數漠 瀨瑤 散 媛 传 楨 。

Where and when will you offer Ashes to Go?

early morning at a city bus stop, late morning at sub post office
I did this last year and received many questions in this largely unchurched neighborhood. Most people thought it was a strange but welcome service. Generally people were pleasantly surprised that the Church would come to them where they naturally congregate.
